Registration Fee for National Title Competition is \$150.00.

A student must have performed and been awarded a Titanium or Diamond medal at and/or won a Vickie Sheer Award at a 2018/19 Tour Competition to be eligible to enter the 2019 National Title Competition. If a student entered more than one (1) solo for a Tour Competition, only the highest scoring solo may be entered for the 2019 National Title Competition. A student may only enter one (1) solo for the 2019 National Title Competition, but may enter any other qualifying solo for the 2019 National Final and/or Elite Competitions. The same solo entered at the 2019 National Title Competition cannot compete at the 2019 National Final and Elite Competitions.

Please email a high resolution 8.5" x 11" color head shot and a photocopy or scanned copy of the Title Award Certificate to [sheerelite@gmail.com](mailto:sheerelite@gmail.com), when submitting this application. The 2019 National Title Competition must be registered and paid by June 1, 2019, to assure that the student's head shot will be included in the program book. A teacher does not need to be registered to have a student enter the 2019 National Title Competition, but an adult chaperone, age over 18, must accompany the student.
